Dear Steven Schottenstein, Ruth Pack-Adler and Buddy Adler,

Mazel Tov on the wonderful honor of being celebrated at this year's Ahavas Sholom Gala! Your embodiment of the Jewish values of tzedakah, kindness and righteousness make you important, respected and valuable members of our community – we are lucky to have you.

Steven, we are so proud of you for being awarded the inaugural Irving Baker Community Builder award. Like the late Irving Baker z"l, your passion and devotion to your community inspires us.

Ruth and Buddy, we congratulate you on the recognition of your warm and selfless service through the awarding of the Ahavas Chesed award.

We are honored to join the entire Ahavas Sholom community in celebration of the congregation's 108th anniversary and are grateful to be included.

Thank you for all you do for Ahavas Sholom, JewishColumbus and the Jewish community.

All our best,

Joel Marcovitch, CEO JewishColumbus
