BOARD CHAIRS

Dear Rabbi Gabay, Josh Grashin and the entire Ahavas Sholom Family,

On behalf of myself, the membership, the board of directors, and the staff of Torat Emet, I would like to share our blessings of mazel tov and admiration for your Gala honoree this year, Rabbi Binyomin Weinschneider.

Rabbi Weinschneider has made a tremendous impact from the day that he and his family arrived in Columbus. He very quickly became a beloved member of the Kollel and was especially known and appreciated for his knowledge, warmth and community participation. Since leaving the Kollel he has continued to make an important impact as both a professional and a volunteer. He began his professional life as an administrator in training at the Wexner Heritage Village, and is now the administrator of a rehabilitation and skilled nursing facility in Dayton. Both of these positions were informed and enhanced by Rabbi Weinschneider's deep rooted Jewish values system and his keen analytical mind. Outside of his paid profession, he has continued to serve our community on many levels and in many ways. As noted, he has entered his chai year as the High Holyday Chazzan at Ahavas, and additionally serves on the board of CTA and Buckeye Kosher to name a few of his volunteer pursuits.

We wish him and Ahavas Sholom continued growth and success.

With warm blessings,

Rabbi Howard Zack
