Congregation Ahavas Sholom

Dear Rabbi Gabay and Josh:

On behalf of the Board of Trustees, our parents, students, faculty and staff, the CTA community extends our sincere Mazel Tov to you and the congregation on the special occasion of the Congregation Ahavas Sholom 113th Anniversary Gala to celebrate the shul and deserving honorees, Rabbi David and Shulamit Ginsburg.

Rabbi Ginsburg, Shulamit, and their family have made a tremendous impact since making Columbus their home in 1990. Proudly sending their children to CTA and seeing them graduate from the high school, they have been extraordinary supporters of the school and its central role in our community. CTA boasts the same pride in the Ginsburg children who are notable alumni that represent achievements in Torah living as well as professional success. Both Rabbi and Shulamit taught at CTA, bringing their love of Torah learning to life for their students. Rabbi Ginsburg served for 10 years on the Board of Trustees and continues as a valued member of the Finance committee bringing a thoughtful, measured, and conservative approach to budgeting.

Together they are friends to many and their standing in the Ahavas Sholom and broader community is a powerful tribute to community leadership and commitment. They are willing to roll up their sleeves for the holy work of Ahavas Sholom as well as to quietly extend their support and expertise, never asking or expecting a thank you or recognition. Tonight is a wonderful opportunity to show unconditional gratitude to the Ginsburgs.

It is our pleasure to continue to partner with Ahavas Sholom to ensure that a CTA Jewish day school education benefits our entire community.

Hatzlacha Raba - wishing you much success in the coming year.

Sincerely,

Steve Schottenstein
Board President
