To the Officers and Members of Congregation Ahavas Sholom:

On behalf of the Kollel's faculty and board, please convey our hearty mazel tov to Rabbi David and Shulamit Ginsburg upon their being honored for decades of distinguished service to Ahavas Sholom and the Columbus Jewish community.

Rabbi Ginsburg and Shulamit have chosen to live lives permeated with Ahavas HaTorah, pursuit of Torah knowledge, Yiras Shomayim and love of Eretz Yisrael. Rabbi Ginsburg's bakashas haemes, sense of responsibility and kishron have distinguished him in his many communal roles including Daf Yomi Maggid Shiur, past CTA Rebbi, and the Shul's resident masmid. Shulamit's dedicated leadership of a daily Tehillim group l'zchus the residents of Eretz Yisrael and its soldiers, her commitment to personal Torah study, and her under the radar acts of chesed bespeak her dedicated Torah lifestyle as well. Together they raised their children to be ehrlicher Yidden by building a home suffused with love and Ahavas HaTorah, and by educating them at CTA and at flagship Yeshivos and seminaries. The Ginsburgs are most worthy recipients of the Distinguished Service Award -- for what can possibly be a more distinguished service than serving as a role model of a sincere and genuine Torah family? Please send the Ginsburgs our heartfelt mazal tov, and wishes for success in all their undertakings.

Mazel tov on the Shul's successful annual dinner. We are honored to work with Rabbi Gabay and the Shul to bring Torah education and values to our community.

Kesivah Vachasimah Tovah.

Sincerely,
