Dear Beth El Synagogue Center Friends,

Westchester Jewish Community Services warmly congratulates Beth El Synagogue Center on your 66th Annual Gala and your honorees Sandra and Jack Gruenberg, Jayne and Darren Peister, and Julia Keltz and Zach Seiden. We salute all you do to strengthen the Beth El and Westchester Jewish community.

WJCS is grateful to partner with Beth El Synagogue Center in our Partners in Caring program and to provide on-site counseling as well as educational and informational programs. We take special pride in our longtime partnership in delivering a special needs Seder and other Havorah Jewish life celebrations for individuals with disabilities. Thank you to Rabbi Schuck and all the Beth El clergy, staff, and members for your friendship and partnership.

We wish all of you at Beth El Synagogue Center a wonderful evening and continued success.

Best regards,

Seth Diamond
