June 2, 2022

Dear Friends,

Congratulations to Beth El Synagogue Center on its in-person 2022 Annual Gala. This is an important event to highlight Beth El's many contributions to the civic and religious life in our community.

I join you in paying tribute to your distinguished honorees, Mark Silver and Alan and Allison Kellman. Together these individuals have devoted their considerable skills and talents of leading the congregation through the difficult challenges of the Covid-19 pandemic and whose tireless efforts have enriched so many aspects of life at Beth El. We acknowledge their dedication of increasing membership and enhancing the use of technology that has enabled more congregants to participate in the services.

Thank you for the opportunity to recognize their achievements and my best wishes to all those present on this special occasion. Every year, and particularly this past year, the Annual Gala is an opportunity to offer gratitude and recognition to those who enrich the worship, learning and outreach experience at Beth El Synagogue Center.

Warm regards,

Steven Otis
