On behalf of the Rabbinical Council of Greater Washington, we are pleased to write this letter in support of Bikur Cholim of Greater Washington. We are profoundly grateful to this special organization for its mission of providing comfort and support to families in need and the for the skill and efficiency with which it executes that mission. Every one of us, in our capacities as congregational Rabbis, husbands and/or fathers, has been touched by Bikur Cholim and has benefited from its loving kindness.

We are also very appreciative that this year BCGW will be raising funds for the Soroka Medical Center in the Negev.

May the merit of Bikur Cholim's many acts of chesed bring an end to the suffering of Acheinu Beis Yisroel and all the Jewish people and bring the Geulah speedily and in our days.

Please accept our heartfelt blessing for your continued success and our warmest congratulations to this year's honorees.

Sincerely
