

Hillel Torah Day School wishes a Mazal Tov to Jordon and Lesli Ross on their being Honored at the Boca Jewish Center/ Shaaray Tefilla 5<sup>th</sup> Annual Gala Dinner.

Jordon Ross dedicated the building of our Auditorium in 1972 in honor and memory of his parents, Joe and Lillian Ross. This Auditorium has served thousands of our students as their lunchroom and gym, and is the area where they perform on stage. Jordon's continued support of Hillel Torah has made a positive and meaningful difference for our students.

Hillel Torah thanks Jordon and Lesli, and may they continue to be blessed with *simchas* and *nachas*.
