Dear Members of the Boca Jewish Center/Shaaray Tefilla Community,

It is our pleasure to congratulate Candy Neustein for being honored with the Eishes Chayil award.

Candy and her late husband Joseph z"l have been leaders and role models, demonstrating a sincere commitment to helping people in need in their local Jewish communities and in Israel.

The Neusteins became supporters of Ogen (formerly The Israel Free Loan Association) soon after our founding nearly 30 years ago, consistently contributing and eventually establishing a Named Loan Fund, as part of Ogen's flagship service to provide interest-free loans to low-income Israelis in need. To date, thanks to the Neusteins generous support, their Named Loan Fund alone has helped nearly 100 low-income Israelis overcome financial hurdles and improve their lives.

Mazal tov to Candy on this deserving honor!

Sincerely,

Sagi Balasha, CEO

Ofir Ozeri, Chairman of the Board
