*CHAZAK V'EMATZ*..BE STRONG AND COURAGEOUS.

Shalom friends,

Tonight, we are together in person again, to honor the BQLI Region Women of Achievement. We share the opportunity to recognize these women as very special leaders in their Sisterhoods and the BQLI Region. I personally want to thank them for their commitment as volunteers, giving their time and energy to enrich WLCJ and their synagogue communities. They serve as role models for Conservative Jewish women everywhere. *Kol Hakavod* and *Mazal Tov* to each of these honorees.

Each member of the BQLI Region is to be celebrated for dedication and support to WLCJ because each of our members make a difference. They work together, *B'yachad*, with strength and courage, *Chazak V'ematz*, to strengthen our Sisterhood affiliates with courage during these unique times.

Thank you to Barbara Kaplan, BQLI Region President and her Executive Committee and Region Board of Directors for their continued leadership.

Sisterly yours,  
Debbi Kaner Goldich
