Dear Rabbi Silverstein,

I am happy for you and your family on your retirement from Congregation Agudath Israel. Our community has been blessed to have such a great spiritual leader over these past 42 years and I am forever grateful to have met you and to have spent some time with you throughout your tenure.

It is rare that someone like you comes along in one's lifetime- a person with great wisdom and caring and such a positive attitude. I have always admired how you live your life with such class, dignity, and generosity. You are among the finest people I have ever met in my adult lifetime. I also thank you for choosing West Caldwell to be your home for all these years.

On behalf of the entire community of West Caldwell and the greater West Essex Community, we wish you and your family many years of good health, happiness, and much success in retirement.

All the Best!

Sincerely,

Joseph Tempesta, Jr.
Mayor, West Caldwell
