MIKIE SHERRILL
11TH DISTRICT, NEW JERSEY

June 1, 2021

Dear Rabbi Silverstein,

Congratulations on your retirement from Congregation Agudath Israel and thank you for your commitment to the community of New Jersey's 11th District. Under your 42 years of leadership, Congregation Agudath Israel has grown into NJ's largest Conservative congregation, respected for its combination of religious, educational, and social programs.

As Rabbi, you have seen your congregation through life's milestones, from births to bar mitzvahs to weddings and now I am happy to join your congregation in celebrating this significant milestone in your own life. The community you have built at Congregation Agudath Israel will continue to serve as a testament to your leadership and I extend my best wishes as you begin this exciting new chapter.

Sincerely,
