Dear Rabbi Silverstein,

Congratulations on your retirement after serving Congregation Agudath Israel and the Caldwell community for 42 years. For the past 10 of those years, you served the residents of Crane's Mill faithfully.

We are truly appreciative of your presence with us for our Shabbat Eve Services, Thanksgiving Community Services, our Abraham's Table luncheons, and more.

You were the primary consultant when we had a huge renewal of vows celebration for Jewish and Christian couples living here. You provided the appropriate prayers and the information we needed to include the breaking of the glass for the Jewish residents. Each couple had their own renewal ceremony.

Under your leadership, youth from CAI come to blow the shofar for Rosh Hashanah. We also had a youth/senior one-on-one experience that included seniors from CAI and Crane's Mill partnered with CAI's middle school students. We are grateful for your support staff who made all this happen, especially Susan Werk, Director of Education.

Your service at CAI may be coming to a close, but we hope your friendship continues.

Blessings upon blessings,
