Dear Congregants of the Congregation Agudath Israel of West Essex,

The members of the West Essex Ministerial Association join you in honoring Rabbi Alan Silverstein as he retires after 42 years of dedicated service and leadership. Rabbi Alan has been a faithful and long-time member of WEMA. It is fair to say that he has been the “spark” and initiator of the on-going formation and relationships among WEMA members and its outreach to the communities served by the WEMA Houses of Worship.

The West Essex Ministerial Association, so unique and special, is grateful for Rabbi Alan’s gentle, humorous and wise guidance over these many years.

With love, gratitude and respect,

The West Essex Ministerial Association Membership
