Shapell's Darche Noam is doing vital work for Klal Yisrael, and it is an honour to pay tribute to its holy work. The destiny of Klal Yisrael is driven by Torah learning and talmidei chachamim, and this is indeed an institution which is devoted to nurturing great Torah personalities.

Their South African graduates make a wonderful contribution to our community and remind us of the global reach of this wonderful institution. This wonderful yeshiva teaches Torah in a beautiful way as reflected by its name Darche Noam. It teaches the light of Torah with a clarity and a precision which is indeed a kiddush Hashem.

May Hashem continue to bless Shapell's Darche Noam with many more years of success.

Yours sincerely

Rabbi Warren Goldstein
