Dear Friends,

While I am not able to be with you this evening to share in this joyous occasion, I am with you in spirit as the Greenburgh Hebrew Center celebrates and honors the incredible contributions of Rabbi Barry Kenter and his wonderful wife, Judi, on the occasion of your annual Gala.

I have spent happy hours at GHC, at your "Woman of the Year" event as well as others, and I trust that tonight will be a very memorable evening. In the thirty-one years of spiritual leadership, Rabbi Barry and Judi Kenter have given so much of themselves not only to GHC but to the greater Jewish and Westchester communities. Tonight we pay tribute to their accomplishments, their dedication and their success.

Mazel Tov and all the best wishes for their continued commitment!

Sincerely,

MaryJane Shimsky
