Dear Friends,

Among all the myriad ways the Rabbi's and Judi's leadership has blessed our GHC community for more than 30 years, the closest to my heart is their dedication and commitment to Sisterhood - our programs, members and mission to support and strengthen GHC spiritually and financially.

Rabbi Kenter has always been there for Sisterhood. He made sure to be at many of our events and meetings. He's been a valued, knowledgeable speaker educating us on many important subjects. The Rabbi also supported us when Sisterhood Shabbat was changed from Friday night to Saturday morning so the women could totally run and participate in a complete Shabbat service. And, he's consistently provided counsel and comfort in countless instances.

Judi's full-fledged involvement with Sisterhood has provided bountiful benefits. Working with her and reaping rewards first hand from her wisdom and wit at meetings, events, and planning sessions has been a privilege and a joy. She's served on the Sisterhood board for many years in many capacities. Judi also made us aware of, and involved us in, Women's League for Conservative Judaism (she's held several positions on the International Board) and Torah Fund.

So you can see why, not surprisingly, Sisterhood is extremely proud to join in saluting the Rabbi and Judi. The especially invigorating, inspiring, enlightening, and enduring relationship they've forged with Sisterhood - and so many of us at GHC - was, and will continue to be, a treasured blessing.

Today Rabah Rabbi and Judi,
