Amy Kessler, Director

The Greenburgh Hebrew Center Early Childhood Center is so grateful for all of the hard work, mostly behind the scenes, that Sherry Padva has contributed to our school. Most may not know of the countless emails and phone calls she has put in, to support GHC ECC. Whether it is assisting in the creation and placement of our marketing materials, offering donations to our classrooms, or brainstorming ways to continue to grow GHC ECC, the school feels Sherry's commitment.

Sherry has a history with GHC ECC, since her own daughter attended, and has seen the school through its evolutions. Sherry has offered valuable insight, and her love of Greenburgh Hebrew Center, and its littlest people, is always felt.

From the children, their families, and the staff of the GHC ECC, mazel tov on this honor Sherry, and todah rabah!
