Dear Friends,

Toda Raba to our amazing Sherry Kaufman Padva for her successful service as President of GHC for the last two years.

Sherry and her husband Ira and daughter Amy joined GHC in 1986. Sherry has been a member of our Nursery School PTA, Religious School PTA, Jr. Congregation Committee, Shalach Manot Committee, Gift Shop Committee, Sisterhood President, Board of Trustees, VP for Membership, Executive Secretary, Executive Vice President, Rabbi Search Committee, Publicity Committee, and of course our President. On top of it all, Sherry attends our morning minyan daily, kabbalat Shabbat services Friday evening and Shabbat services Saturday morning, and spearheads the delicious full Kiddush luncheon we offer our membership every Saturday. Sherry has provided – and continues to provide – extraordinary service to Greenburgh Hebrew Center and our members.

How many synagogues have had a President who also attends daily minyan and makes lunch for the whole congregation every Shabbat? The answer is one: the Greenburgh Hebrew Center. How fortunate we are.

Sherry is effective at all that she does, and her exceptional dedication is an inspiration to us all.
