Amy Kessler, Director

The Greenburgh Hebrew Center Early Childhood Center is so grateful for Phil Karmel's tireless support of our school. Phil has played many roles for GHC ECC: a visionary, a sounding board, and a do-er. Most may not know of the many emails and phone calls from GHC ECC to Phil, and the quick, clear and insightful responses he provided. Phil was always there to get things done, so our school could not only hum along, but grow.

Phil has seen GHC ECC through its evolutions, and remains steadfast in continuing to develop GHC ECC. Phil has offered valuable ideas and resources, and his commitment to Greenburgh Hebrew Center, and its littlest people, is always felt.

From the children, their families, and the staff of the GHC ECC, mazel tov on this honor Phil, and todah rabah!
