Barry A. Kenter, Rabbi Emeritus

Philip E. Karmel, President

On behalf of the GHC Men's Club, Michael Smith and I wish to thank you, Phil, for all your efforts. Congratulations to Phil Karmel on his Presidency of GHC. As one who knows, it is an immense challenge to lead our congregation; Phil worked tirelessly and diligently for all of us during his tenure.

Phil, now you can enjoy your new title as "IPP", which is very dear and near to my heart, Immediate Past President. Very often this title is corrupted to sound like Immediate "PEST" president because it is not that easy to separate from the inner workings of GHC and just stand on the sidelines. Whatever works.

Additionally, Barbara, thank you for your support as "First Lady". We all know that working for GHC in any capacity is a family effort, and that any one of us who works for the good of our shul, very often has a significant other who plays an important part in maintaining our homes, businesses and family obligations. Thank you again.

Very truly yours,

Men's Club Co-Presidents

Michael Smith
