Greenburgh Hebrew Center's Religious School and Early Childhood Center are thrilled to celebrate Israel at 70!

Israel is an integral part of our curricula; all of our students, from our tiny toddlers to our high schoolers, are immersed in the love we have for Israel, here at GHC!

This year alone our students have laughed and sung while learning Israeli dances, created a newsletter from scratch about famous Israelis, gone on a virtual "trip" to Israel that included the Kotel, an archeological dig, and shuk, cooked Israeli foods, had a huge feast on Yom Ha'Atzmaut, donated their tzedakah to charities in Israel, hosted Israeli soldiers twice, gone to the Israeli Day Parade in NYC, and of course, learned Hebrew and all about Israel's history, culture, and current contributions to our world, during school!

From the children, their families, and the teachers of Greenburgh Hebrew Center's Religious School and Early Childhood Center, we celebrate Israel today... and every day!
