For the past ten years, the Greenburgh Hebrew Center has been honored to have a Cantor that has made an impact on so many people. Cantor Janet's support of the Men's club has been amazing – particularly as we have transformed over the last few years.

The Luftig family is personally grateful for your support of our family, being new to the GHC community ten years ago, teaching our children and preparing Justin for his upcoming Bar-Mitzvah.

The Baskins personally acknowledge your unwavering friendliness, the personal touch you add to everything you do and the knack for never forgetting a name.

The GHC Men's Club is happy to acknowledge, thank, congratulate and wish a hardy Yasher Koach to Cantor Janet for your commitment, service and devotion for the GHC Community.

Sincerely,

Howard Baskin and David Luftig

Men's Club Co-Presidents
