Jay M. Stein, Rabbi

Anna May, Cantor

Barry A. Kenter, Rabbi Emeritus

Naomi R. Feinkind, President

The Men's Club wishes to extend our congratulations and thanks to our president, Naomi, for her continued service and dedication to the GHC Community. When Naomi accepted the position of President, we were living in a different world with expected, but minimal, challenges and opportunities to leverage prior Past President's experiences and methods. Little did we know how much would change so quickly.

As a result of COVID-19, Naomi rose to the challenge and successfully guided the synagogue through this pandemic. She modified the way we did everything — from conducting weekly to high holiday services virtually, to making sure Religious School remained available and accessible and ensuring that Board meetings continued to be held.

Accomplishing achievements and realizing successes do not happen by accident nor are they given. Breakthroughs are realized after spending hours of hard work and trying new ideas. Through it all, Naomi never gave up, and when needed, she went back to the drawing board until she found the right solution. Naomi's leadership, ingenuity, and commitment were beyond anyone's expectations and allowed the synagogue to navigate these difficult times.

Naomi recognized that people are and always will be our greatest asset. Naomi encouraged and was successful in recruiting members to be more involved in GHC which brought us closer together as a Jewish community. The ongoing success of our organization is a direct result of her efforts and dedication.

Naomi's commitment to quality, personal, and professional integrity is what sets her apart. We know that our continued growth and success is a result of having a devoted captain at the helm and nobody could have steered the ship as well as Naomi. We want to recognize the contributions she has made in helping us achieve our goals.

From the Men's Club and the rest of GHC, Naomi, thank you for all you have done for GHC during your years of service and for your ongoing commitment to our success.

You are amazing!
