NEW ROCHELLE— Arthur J. Geoghegan, president of the First Westchester National Bank, predicted today that the bank's 1970 earnings will be the largest in its history.

He said net earnings for the first nine months were up 36 per cent over 1969, with net income of \$2,105,502.25 or \$3.51 per share, compared with \$1,554,061.24 or \$2.59 per share.

He said the operating income for the first nine months of 1970 was \$2,167,597.59 or \$3.61 per share, compared with \$1,649,090.42 or \$2.75 per share for the same period of 1969.

Total assets and deposits of First Westchester were \$177,360,541.34, and \$154,211,554.73, respectively, at the end of the third quarter 1970 compared with \$160,467,775.61 and \$136,761,065.6 at the same time last year, said Mr. Geoghegan.

Capital funds aggregated \$15,636,601.51, an increase of \$1,953,096.26 over the comparative period of Sept. 30, 1970. The First Westchester National Bank, as of Sept. 30, 1970, had 600,000 shares outstanding evidencing a book value of over \$26 a share.

**MARTYRS MEMORIAL**— Sculpture entitled "Out of the Depth Have I Cried Unto Thee, O Lord" by **Frances Besner Newman** of Ardsley will be unveiled at religious services marking Yom Kippur Friday evening at Greenburgh Hebrew Center in Dobbs Ferry. Commissioned by the synagogue's trustees, the sculpture required five models before the

final work was begun. It is dedicated to the memory of the six million Jewish martyrs who perished in the European holocaust of World War II. The progressions of the working maquettes for the sculpture can be seen in a one-woman show at the Summerfield Gallery in Dobbs Ferry from Sunday through Oct. 30.
