Greenburgh Hebrew Center's Religious School and Early Childhood Center are so excited to celebrate the synagogue's 75th year! Happy Birthday GHC!

Throughout the decades both the leadership and membership of GHC have always supported our religious school and ECC. Due to this unwavering support, our schools have survived and thrived, even during the most challenging times.

It is because of the vision, leadership, and shared values of the people at Greenburgh Hebrew Center that our schools are a "second home" to our students and their families. GHC is a place of joyful Judaism, laughter, tears, hugs and trying new things for our children. GHC is a place our children go to learn, play, make forever friendships, discover more about themselves, be accepted for exactly who they are, and find connections to Judaism that last a lifetime.

From the children, their families, and the teachers of GHC's Religious School and Early Childhood Center, happy birthday Greenburgh Hebrew Center! Here's to at least another 75 years!
