Greenburgh Hebrew Center's Religious School and Early Childhood Center are so excited to honor Jeffrey Liss!

Jeff has been a tireless, hands-on President, who has brought about many positive changes during his leadership at GHC. Jeff has enhanced involvement at GHC through new events and innovative programming. He is always eager to have people in the building (or streaming online) trying new things, learning, and having fun. Jeff is all about personal, meaningful experiences, and connecting GHC community members through these shared experiences. He has always been willing to try something new, and is always supportive of creative and out of the box ideas that are in the best interest of GHC. Jeff knows our students and families well, and is always open to their feedback, so that GHC thrives.

Jeff is a true "do-er." Whether it is improving our social media efforts, extending our ECC hours, or Israeli dancing with the students of the religious school, Jeff is always getting it done, and often with a smile and a joke. The schools at GHC have benefited greatly under his leadership and vision.

From the children, their families, and the teachers of GHC's Religious School and Early Childhood Center, Mazal Tov Jeff! Todah Rabah; many thanks for all you have done, and continue to do, for our community.
