Dear Friends,

Sisterhood wishes to say Mazel Tov and thanks to our President, Jeff Liss, as we celebrate at the Journal Gala Dinner his years of service to Greenburgh Hebrew Center and, most importantly, his many achievements.

Jeff stepped into the role of President at a time that was full of hope but, yet, still uncertain. At times, the pandemic appeared to be on its way out, but, at others, it looked like it would be with us forever. Jeff made it his mission to bring members of GHC back together and promote the myriad of services and programs that our Synagogue has to offer. Jeff began in the Summer of 2021 to test the “in-person waters” by having again sit-down Kiddushim after Shabbat services, and, after a year’s hiatus, bringing back our terrific Annual Barbeque for members and prospective members which was a rousing success. We at Sisterhood are especially appreciative to Jeff for being one of our biggest supporters when, in the Fall of 2021, we decided to have in-person events again.

The GHC membership wants to thank Jeff for bringing us into the 21<sup>st</sup> century world by updating our systems. The revamped GHC News is an eye-catching and creative way of letting us know on a weekly basis what is currently going on in the Synagogue and what is to come. Sisterhood makes extensive use of promoting our events and programs on GHC News and thank you, Jeff for that. In addition Jeff worked on instituting an online credit card payment process, an up-to-date website and calendar, and streamlining many office procedures.

And of course, who can forget the jokes Jeff added to GHC News when he was EVP and which end his weekly announcements on Shabbat as President? As the saying goes “Be the reason someone smiles today”.

Sisterhood thanks Jeff for his active support of our organization, and for making us smile. We have the utmost admiration for what he has done for GHC over the years, especially those as President. I join the women of Sisterhood as well as our Board – Arlene Krawitz, Enid Lotstein, Vivian Milefsky, Robin Rosenberg, Nancy Sklar, Nancy Streiter, and Sharon Weiss – to say, once again, Mazel Tov to Jeff Liss.
