Robin,

Congratulations on your achievement and thank you for your contributions to GHC.

For years, you have set the standard for what it means to service to GHC. On behalf of the fundraising committee, I thank you.

Robin, since we first set foot in GHC, you have been kind, welcoming and generous. Your kindness to my family, well before we even became members means a great deal to us, given the importance of synagogue and community to us. As president your leadership has inspired not only me, but many others to contribute their time and effort to making GHC all that it can be. Thank you for being a shining light for our congregation and for all of us.

Your kind heart and dedication to GHC are an inspiration to us all. In addition to supporting GHC in a range of roles, including president, you are GHC's biggest advocate, an ambassador whose passion for GHC is apparent to anyone who meets you. Thank you for being such a wonderful support to GHC and to me.

I know you will continue to be GHC's biggest cheerleader and I am excited for the path you have created for others to follow.

I hope you continue to share your love and light with the community for many years to come. GHC is blessed to have you as a devoted member.

Again, congratulations and thank you for all that you have done for GHC. Along with the entire GHC community, I am excited to celebrate with you and recognize you for your contributions to our synagogue today.

Sincerely,
Scott Krady
