Robin Rosenberg, President

On behalf of The Men's Club, we would like to extend our true appreciation to you, Robin.

We've been so lucky to have you as our President of Greenburgh Hebrew Center for the last two years – consistently being there to support GHC and the Men's club for everything from the smallest detail to major initiatives.

Of course, your efforts did not start with being President, and we know will not end after your term is complete. (We guess that Sisterhood gets to have you back.)

Every member of our community is lucky and privileged to have had you as our leader. Your ability to handle responsibilities and tasks have been top notch. You command complete respect from the Board and the Executive Committee, all while you continue to keep your hands in some of the committees and groups that you are most passionate about – like our “siblings” in the Sisterhood.

While it was important to manage the leaders on the Board, you are never afraid to put your leadership role aside and to chip in to help complete tasks of all sizes.

Your guidance, support, and energy are unmatched – and you have raised the bar for future Presidents to come.

Thank you for making GHC stronger and being a true advocate for every member of our community.

Howard Baskin and David Luftig,
Co-Presidents Men's Club
