**Dear Robin,**

Mazel tov on two incredible years of service as President of our synagogue!

Your leadership has been nothing short of inspiring. In the words of *Pirkei Avot*, “*In a place where there is no person, strive to be that person.*” Time and time again, you have been *that* person—showing up, stepping in, and lifting up our community with your dedication, warmth, and heart.

You’ve led one of our most cherished traditions—the Purim Carnival—for as long as we can remember, turning it into a highlight of the year for families and children of all ages. As past president of the Sisterhood, the force behind the gift shop, and the unofficial keeper of the community tree (you somehow know who everyone is related to!), you’ve built connections that are the very foundation of our synagogue family.

But what truly sets you apart is your care. You notice when someone is missing. You deliver a meal when someone is grieving. You check in, follow up, and never forget. Your boundless energy and immeasurable compassion have made this community feel like home for so many.

As rabbi of the congregation, I have truly enjoyed working with you. Your partnership, insight, and heart have made these past two years not only meaningful, but a real joy.

Thank you for leading with heart, humor, and humility. Thank you for being that person.

With deep gratitude and admiration,

Rabbi Jay M. Stein, D.D.
