Dear Friends,

Sisterhood joins the GHC Congregation in honoring our outgoing President, Robin Rosenberg, for her many years of devoted service to our Synagogue and in wishing her a hearty Mazel Tov.

Robin has a unique ability to see what's needed and figure out how to fill each need. Her unending energy and ability to multi-task are remarkable. Along with the Presidency, Robin has led many portfolios which include Executive VP, Sisterhood President, VP of Youth, VP of Membership, as well as serving on the Board of Trustees, the Board of Sisterhood and various committees, too numerous to list. She has led with dedication and an unwavering commitment to our Synagogue. And with all that the Presidency requires, Robin still finds time in her schedule to read Torah, usher on Shabbat, help organize and run the Purim Carnival and serve as an active member of the Green Team and Sisterhood. Robin works hard to get the word out, not only to our members, but also to the Jewish community, about the warmth and uniqueness of our Synagogue, its programs and its schools.

In these last four years it would have been very easy for Robin to take a step back from Sisterhood to concentrate on her duties as Executive VP and Synagogue President. But Robin's commitment to Sisterhood has been unwavering. She remains an active voice at all our Board meetings, willingly doing whatever it takes to make our events, programs and fundraising successful. Sisterhood cannot begin to thank you enough, Robin, for your dedication to our organization.

We at Sisterhood are extremely proud to be honoring you, Robin. You will always have our utmost admiration. The Board of Sisterhood GHC: Arlene Krawitz, Meryl Kupersmith, Enid Lotstein, Vivian Milefsky, Allyn Salpeter, Nancy Sklar, Nancy Steiter, Sharon Weiss, and all the members of Sisterhood.
