Dear Robin,

Dedicated. Energetic. Optimistic. Organized. Passionate. Positive. Committed. Problem solver. These are just some of the qualities that have made you an amazing President. You certainly will be a tough act to follow.

We are so grateful for all of your years of leadership, and not just the last two years as President. Your efforts to keep us connected to the wider Westchester Jewish community have strengthened us during these difficult times. We know that you will continue that good work.

I will not list all of the positions you have held at GHC, but I will note that instead of retiring to the family manor, you are going to be the next President of Sisterhood. A great gift to me is that you will continue with GHC News where we will continue to hear your voice.

To quote you, “thank you, thank you, thank you” and we look forward to benefitting from your energy and wisdom for years to come.

Sincerely,

Michael H. Smith
