Dear Friends,

I am delighted to congratulate the Great Neck Synagogue on the occasion of its 70th Annual Journal Dinner. This milestone exemplifies the strength of the Jewish community and shines a light on the Synagogue's commitment to charity, tradition, and unity. I extend my admiration for all the hard work you do.

Behind each community there is a rich and lively history. In light of this, I would like to honor two couples, Celia and Jack Lemonik, and Davida and Marc Yehaskel. Their multi-generational connection to the Great Neck Synagogue is remarkable and shows that we must continue to support our cultural centers as essential elements of our wider Long Island heritage.

I wish you a night full of festivities in celebration of this wonderful milestone and in celebration of the vibrant community at the Great Neck Synagogue.

Warmest Regards,

*Gina L. Sillitti
