Dear Great Neck Synagogue Community,

I am honored to be writing to you today on the occasion of your 72<sup>nd</sup> Annual Journal Dinner. This is a time to reflect on the many contributions that members of this community have made over the years, and to recognize those who have gone above and beyond in their efforts to make Great Neck a better place.

It is with great pleasure that I congratulate Sharon and Robert Herman, and Ariella and Shmuel Gilad, on their remarkable contributions to our community. These individuals have demonstrated an unwavering dedication to making a positive impact in the lives of others, and their efforts have made Great Neck a better place for all.

On behalf of the many constituents that I represent, I would like to extend my heartfelt congratulations to these four outstanding individuals, and to thank Great Neck Synagogue for providing a platform to recognize their contributions. I look forward to continuing to work with this community in the years to come, and to seeing the many great things that we can accomplish together.

Sincerely,

A handwritten signature in blue ink that reads "Mazi".
