Dear Friends,

Greetings and heartfelt congratulations on the celebration of your 75<sup>th</sup> anniversary! As a part of the largest Jewish campus organization in the world, Hillel International, Hillel of Buffalo has nurtured all aspects of Jewish campus life for 75 years.

Hillel of Buffalo has not only been a resource for students at the University at Buffalo but has welcomed college students from campuses across the region, including those from Buffalo State College. At its inception, in 1946, Hillel of Buffalo was created to support students at both the University at Buffalo, and State Teachers College which later became known as Buffalo State College. We are proud that our students have been a part of Hillel of Buffalo's storied history and look forward to continued opportunities to partner with and support Jewish students in college life.

On behalf of the Buffalo State College community, I'd like to offer the warmest of congratulations and wish you many years of continued success.

Sincerely,

Katherine Conway-Turner, Ph.D.  
President
