Dear Friends:

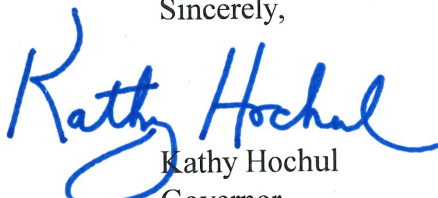

It is my pleasure to send greetings to everyone gathered for *Hillel at 75, Celebrating Our Jewish Community on Campus*.

Since 1946, Hillel of Buffalo has demonstrated a steadfast commitment to enriching the campus life of young women and men at the University at Buffalo and Buffalo State College, promoting a heightened awareness of and pride in their Jewish identity and faith. I am grateful to everyone affiliated with Hillel for the dedication and support that ensure that Judaic heritage and traditions are preserved for generations to come.

This evening, you come together to look back on 75 years of accomplishments and to pay tribute to those whose efforts further your mission. I join in congratulating your distinguished honorees – Dr. Jeffrey M. Lackner, Steven J. & Ellen R Weiss, and Abby Feldman. Their leadership and meaningful contributions have helped to nurture and encourage Jewish students to take advantage of excellent opportunities, making valuable connections that will last a lifetime.

Best wishes for an enjoyable evening.

Sincerely,

Kathy Hochul
Governor
