

Jacobs School of Medicine
and Biomedical Sciences
University at Buffalo

Vice President for Health Sciences and Dean

May 4, 2022

Dear Friends and Honorees at Hillel of Buffalo,

It is my heartfelt honor to offer my congratulations to Hillel of Buffalo on the occasion of your 75th anniversary celebration and to the honorees this year.

The Jacobs School of Medicine and Biomedical Sciences at the University of Buffalo is especially proud that Dr. Jeffrey M. Lackner, PsyD, Division Chief of Behavioral Medicine, Department of Medicine is receiving the Exceptional Leadership Award.

Since 1946, the University at Buffalo faculty, staff, and alumni have supported Jewish students during their college years. This support has led to meaningful community support in the form of events and fundraisers that support local Buffalo organizations that have a positive impact on both students and the clientele served by those organizations.

We look forward to many more years of support!

Very sincerely yours,

A handwritten signature in black ink that reads "Allison Brashear".
