Dear Friends,

I am privileged to offer my heartfelt recognition to Dr. Kathleen Gallo for her commitment and extraordinary service to Hofstra University. I was delighted to hear that Hofstra University is commemorating Dr. Gallo at its annual Gala event to raise funds for the institution's Endowed Scholarship program.

Dr. Gallo is recognized for her contributions to the Hofstra Northwell School of Nursing and Physician Assistant Studies and for serving as a pioneer in healthcare. As the founding dean of Hofstra Northwell School, Dr. Gallo developed innovations and programs that have significantly impacted the University. Currently, Dr. Gallo is the Executive in Residence for Northwell Health. Under her leadership, the Center for Learning and Innovation, Northwell Health's corporate university, and the Patient Safety Institute were created, transforming the health system into an educational organization focusing on leadership and workforce development. Dr. Gallo continues to demonstrate her incredible leadership qualities.

Dr. Gallo is recognized for many different titles she has held in her career. On top of her current executive position at Northwell, Dr. Gallo serves on the advisory board for the Executive Program on Work-Based Learning Leadership at the University of Pennsylvania. Dr. Gallo's commitment to education goes further, as she is an associate professor of science education at the Donald and Barbara Zucker School of Medicine at Hofstra/Northwell; also, she is an associate adjunct professor at the Frances Payne Bolton School of Nursing at Case Western Reserve University. Among her many titles and accomplishments, Dr. Gallo is an accredited author and public speaker known for her publication with Dr. Lawrence Smith: *Building a Culture of Patient Safety Through Simulation: An Interprofessional Learning Model*.

The list of Dr. Gallo's accomplishments seems infinite, and I am so proud to know such an inspiring Long Island trailblazer. As an alumnus of Hofstra University, I am grateful for Dr. Gallo's service to my alma mater, and I invite you all to celebrate Dr. Gallo and enjoy this event.

It is an honor to represent the people of New York's 4th Congressional District in Congress.

Sincerely,

A handwritten signature in black ink, appearing to read "Anthony D'Esposito".
