ANTONIO R. DELGADO
LIEUTENANT GOVERNOR

May 4, 2023

Dear Dr. Gallo,

I would like to congratulate you upon your recognition at the Hofstra University Annual Gala for your outstanding service and leadership within the Northwell School of Health at Hofstra University. The innovative approach you have demonstrated to workforce training and development in the health sector is critical to ensuring our healthcare system continues to improve, and I commend your dedication.

Furthermore, I want to acknowledge your commitment to providing creative and efficient methods of care to communities across New York State. In recent years, disparities in our health system have been brought to light, and the focus you have placed on treating people, not illness, and other forms of preventative care is inspiring. The first step to providing an impartial health care system for all New Yorkers is ensuring our attention remains on community-based care and equitable health outcomes.

Again, congratulations on being honored by the Hofstra University community, and thank you for your unwavering commitment to the progress of our state.

Sincerely,
