Greetings!

It is my esteemed pleasure to bring greetings to Hofstra University, on the occasion of your fund raising Gala , to benefit Hofstra's Endowed Scholarship Program. The precious gift of scholarships for deserving students can transform their lives and ease the burden of financial drain on parents and students.

I extend my heartfelt congratulations to this year's distinguished honoree, Dr. Kathleen Gallo, PhD, MBA, RN, FAAN. I commend Dr. Gallo on her role as a true trailblazer, who has been a leader in healthcare, interprofessional education and organizational learning. Dr. Gallo's tremendous network and alliances with partners in academia, medicine, nursing, and community-based healthcare are certainly commendable and valuable to any institution. We are grateful for all that you have done and all that you will continue to do to impact the lives of others.

I extend my heartfelt best wishes to the students that will be recipients of these scholarship awards. It is my greatest hope that these students will make a difference in our changing and challenging world.

Sincerely

A handwritten signature in blue ink that reads "Dorothy". The signature is fluid and cursive.
