Dear Friends:

A warm welcome to everyone who has gathered for Hofstra University's Annual Gala. Your participation not only helps to raise funds for the Endowed Scholarship Program, but also recognizes the exceptional individual being honored this year for her commitment and outstanding service to the University and to the field of medicine.

Since its founding, Hofstra University has worked tirelessly to provide a quality education to each and every student. Hofstra provides an encouraging, nurturing, and supportive learning environment for students, with a focus on social and ethical responsibility. With over 4,000 resident students with a full-time enrollment of over 8,000, the University continues to flourish. I commend everyone whose dedication and hard work has made Hofstra University one of our nation's premier educational institutions.

Let me also join you in saluting your honoree: Dr. Kathleen Gallo, Founding Dean and Professor of the Hofstra Northwell School of Nursing and Physician Assistant Studies and Executive in Residence of Northwell Health. Dr. Gallo's leadership and vision has made the Hofstra Northwell School of Nursing and Physician Assistant Studies an essential model for medical schools across the country.

Again, congratulations to Dr. Gallo, Hofstra University, and to everyone attending this special celebration. I am sure it will be a memorable occasion.

Sincerely,
