Dear Friends,

Congratulations on celebrating your 27th Annual Gala!

The Hofstra Gala, a premiere scholarship fundraising event, raises significant scholarship funds for students thanks to the generous donations from Alumni and friends.

A special congratulations and thank you to this year's distinguished honoree for her dedication and exemplary service to Hofstra University:

Kathleen Gallo
PhD, MBA, RN, FAAN

It is with great honor that I, along with residents of the 9th Assembly district, recognize Dr. Gallo, Executive in Residence for Northwell Health and Founding Dean and Professor of Hofstra Northwell School of Nursing and Physician Assistant Studies, for her many outstanding accomplishments.

Today, we acknowledge Dr. Kathleen Gallo for her exceptional leadership, trailblazing legacy, and her commitment to advance excellence in medical student education and innovation.

Sincerely,

Michael Durso
NYS Assemblyman
9th District
