Dr. Susan Poser, President
Hofstra University
101 Hofstra University
Hempstead, New York 11549

Dear Dr. Poser and Members of the Board,

I am writing to congratulate you on Hofstra University's Annual Gala. As someone who earned both an MBA and a Law Degree from Hofstra, I was encouraged to hear that this event will be successful in raising funds for the Endowed Scholarship Program, encouraging the development and success of our country's youth.

Please permit me to personally congratulate this year's honoree, Dr. Kathleen Gallo, for the contributions she has made toward education on Long Island. As Founding Dean of the Hofstra School of Nursing and Physician Assistant Studies, her leadership introduced a case-based approach to its curriculum, preparing students to be "work ready" upon completion. Because of her success in this endeavor, the School of Nursing and Physician Assistant Studies has grown to what it is today— an exemplary Long Island institution.

I believe it is essential to celebrate the accomplishments of those who serve our community. Dr. Gallo does so through advisory boards, teaching as an associate Professor at multiple institutions, and dedicating 25 years of her life to emergency nursing. I commend Dr. Kathleen Gallo for her unwavering commitment to her community and the success of those who follow in her footsteps.

In Service,

Nick LaLota
Member of Congress
