Dear Friends:

It is my distinct privilege to recognize David S. Mack, Secretary of the Hofstra University Board of Trustees, honoree at the annual Hofstra University Gala, for his commitment and exceptional service to Hofstra University, Long Island, and to the greater New York region.

David S. Mack received his Bachelor's Degree in Business Administration from Hofstra University. Mr. Mack is presently a senior Managing Partner and Vice President of the Mack Management and Construction Corp. which has headquarters in Fort Lee, New Jersey, and Arizona. He is the former Director of Mack-Cali Realty, and pioneered the development of large, Class A office properties, and his innovation and expertise helped increase the company's portfolio to approximately 20 million square feet.

Mr. Mack is a longtime benefactor of his alma mater. Centers on campus, including the David S. Mack Sports and Exhibition Complex, the David S. Mack Fitness Center, David S. Mack Hall, and the Sondra and David S. Mack Student Center, reflect his generosity and longstanding commitment.

A leader in our community, Mr. Mack is also a member of the Board of the United Nation's Commission of NY State, and he serves on the Board of Directors of the Metropolitan Transportation Authority of New York State. He acts as a liaison and advocate for philanthropy in Jewish Community Life as Chairman Emeritus of the Jewish Federation of Palm Beach County, where he is on the Board of Trustees of the Town of Palm Beach United Way. He is also on the Board of Directors of the Palm Beach Civic Association. Mr. Mack's involvement in his community spans across the country and brings great pride to Hofstra University.

Mr. Mack's legacy of impact will certainly continue at Hofstra University, and I wish him good health and every success in his future endeavors.

Sincerely,

A handwritten signature in blue ink that reads "Steve Stern".
