Dear Friends,

I extend my heartfelt congratulations to Hofstra University on the occasion of its 2024 Annual Gala and to David S. Mack, Class of 1967, as he is honored for his unwavering commitment as a Secretary on the Board of Trustees.

The Gala's focus on raising funds for endowed scholarships is truly inspiring. Ensuring access to quality education for students from diverse economic backgrounds is incredibly important. Your dedication to enhancing educational accessibility serves as a beacon for all institutions to follow and I am confident that many will strive to emulate your actions and achievements.

As a Member of the New York State Assembly on Long Island, I wholeheartedly applaud the collective efforts to champion this cause. I remain steadfast in my commitment to supporting higher education and advocating for equitable access to resources at esteemed institutions like Hofstra for all New Yorkers. The dedication and commitment demonstrated by this University and David S. Mack towards education are truly commendable.

I wish you a night full of festivities in celebration of education and in honor of David S. Mack, a man who is invaluable to Hofstra University, Long Island, and our state.

*Warmest Regards,*
