Dear Mr. Mack,

On behalf of the New York State Assembly District 18 constituents and in recognition of your unwavering commitment and exceptional service to Hofstra University, I am writing to extend my heartfelt congratulations to you on your continued success and achievements.

Your dedicated tenure as the Secretary of the Hofstra University Board of Trustees has played a pivotal role in shaping the university's vision and fostering its remarkable growth. Your contributions extend beyond the university walls, positively impacting the lives of countless students who benefit from the endowed scholarships supported by the annual Gala.

Your impressive professional journey as a Senior Managing Partner and Vice President of The Mack Management and Construction Corp is a testament to your outstanding leadership and expertise in real estate development. Your involvement on various boards, including the Metropolitan Transportation Authority of New York State and the United Nations Commission of NY State, highlights your strong commitment to public service and community welfare.

Hofstra University, our alma mater, has greatly benefited from your wisdom and guidance as a member and Vice Chairman of the Board of Trustees. Your dedication to improving healthcare, education, and community well-being through organizations such as Northwell Health, Pratt Institute, and MorseLife Health System is truly commendable and reflects your deep-rooted commitment to society.

Once again, congratulations on your outstanding achievements and contributions to our community, university, and society at large. Your hard work and dedication serve as an inspiration to us all, and we are grateful for your continued efforts.

All my best,

Member of Assembly, District 18
