March 25, 2024

Dear Mr. David S. Mack,

I am writing to recognize and express my sincere appreciation for your outstanding contributions to Hofstra University, Long Island, and to the greater New York region. Your commitment to excellence and dedication certainly has not gone unnoticed.

Prior to serving in your current position as Secretary of the Hofstra University Board of Trustees, you've served in several prestigious positions throughout your incredible career. The transformational work you have accomplished with the Metropolitan Transportation Authority of New York State and the Port Authority of New York is truly inspiring and admirable. I would also like to thank you for your valiant 14 years of service as Deputy Superintendent in the rank of Colonel for the New York State Police. As a former Nassau County Legislator, I am forever grateful for the support you have offered to the brave men and women of the Nassau County Police Department, where you currently serve as First Assistant Commissioner.

Your exceptional contributions have not only made a significant impact on Hofstra University but have also inspired others to strive for greatness. You have consistently gone above and beyond to create positive change to the organizations in which you are involved.

On behalf of my alma mater, Hofstra University, I and the over 19 million New Yorkers would like to congratulate you on all your achievements and thank you for the lasting impact you have made on so many in our region. I wish you continued success in all your future endeavors.

Sincerely,

Steven D. Rhoads

New York State Senator, District 5
