Congratulations to Mr. David S. Mack, the 2024 honoree of the Hofstra University Gala. As a fellow alumnus of Hofstra (Law School class of '87), I'm proud to help bring recognition to his remarkable achievements and contributions to the community.

As Secretary of the Hofstra Board of Trustees and outstanding Hofstra University alumnus (class of '67), his dedication and contributions to the university and campus community (including The S. Mack Sports and Exhibition Complex, the Sondra and David Mack Student Center, and Mack Hall) are truly commendable.

His philanthropy and dedication to doing good extends well beyond the campus. It benefits Long Island and the greater New York region. He has been a member of many Boards of Directors including the Metropolitan Transportation Authority of New York State, Port Authority of New York and New Jersey, New York Motor Vehicle and the United Nations Commission of New York States.

Mr. Mack's lifelong contributions of his time and financial resources to charitable causes and organizations, exemplifies his compassion and commitment to being a force dedicated to making a positive difference. May his legacy continue to inspire others to give back and be an agent for meaningful change.

Sincerely,

Nassau County Legislator Scott Davis
