Dear Mr. Mack,

It is with great pleasure that I write this letter of recognition to commend your outstanding contributions and achievements throughout your illustrious career. Your remarkable leadership, dedication, and vision have left an indelible mark on the real estate development industry and the community at large.

As Senior Managing Partner and Vice President of The Mack Management and Construction Corp, you have demonstrated unparalleled expertise and innovation in pioneering the development of large, Class A office properties. Under your guidance, the company's portfolio has flourished, solidifying its position as a leader in the industry.

Your commitment to public service is equally commendable. Your tenure as a Director of Mack-Cali Realty, Vice Chairman of the Metropolitan Transportation Authority of New York, and Commissioner of the Port Authority of New York and New Jersey, among other roles, speaks volumes about your dedication to improving the infrastructure and transportation systems that benefit millions of people every day.

Furthermore, your involvement in various charitable and community organizations, such as the MorseLife Health System, Kravis Center, and Jewish Federation of Palm Beach County, reflects your deep-rooted commitment to philanthropy and community development.

Your contributions to the Nassau County Police Department and the Palm Beach Police Foundation, and at the rank of Colonel, the NY State Police, as Deputy Superintendent, further exemplify your unwavering commitment to public safety and security. Your leadership in these roles has undoubtedly made a lasting impact on the communities you serve.

In recognition of your exceptional achievements and unwavering commitment to excellence, I extend my heartfelt appreciation and admiration. Your exemplary leadership and dedication serve as an inspiration to us all.

Thank you, Mr. Mack, for your invaluable contributions to the real estate industry, public service, and the community. Your legacy will continue to inspire future generations for years to come.

Sincerely,
